

## New Updated Teradata Education Course Catalogue

Strengthen your skills, your career, and your value with world class training and certification. Teradata Education designs, develops and delivers education that builds skills and capabilities to enable your company to maximize and expand its Teradata investment. Through both our free and cost-effective training, you have access to our highly experienced instructors and a world-class collection of online content.

You can find the details of all the offering on Teradata Education and Certification on our new [Teradata Education Course Catalogue](#).

## Customer Education and Customer Support

Teradata Customer Education has teamed up with Customer Support to provide customers, who have Essential Support, to gain additional access to our world class education and certification products. Essential Support customers have access to a 10,000 USD checkbook\* that can be drawn upon to purchase:

1. An **Unlimited Subscription** where it offers access to all the content in the University for 1 year.
2. A Role-Based Subscription where a Role-Based subscription provides access, for one year, to courses that are specific to a role such as **Database Administrator**, **Data Engineer**, **Business Analyst** or a **Developer**.
3. Customers can buy a seat in one of our publicly held classes. See below to find a class in your region to augment your skills with a live instructor taught virtually.
4. Use the Checkbook to purchase **Teradata Certification** vouchers to take any of our Certification exams.

Contact your Account Executive, Customer Success Manager, Service Experience Manager, or send an email to [customer.education@teradata.com](mailto:customer.education@teradata.com) to get connected to the appropriate Education Consultant for more information.

\*Checkbook amounts can vary depending on the level of support a customer purchased. Contact any of the above for more information.
